Subject: Homeowner of Lard Oil Spill requesting "copies of Findings"
Date: Friday, August 26, 2016 2:56:44 PM

Received a voicemail of an older male requesting 'copies of findings'.

He stated that he lives on (b) (6) so I am assuming this is related to the Lard Oil Spill

He requested to be contacted at: (b) (6) (but he called from (b) (6))

He did not leave his name.

Thank you again!
